RESOLUTION NO. [illegible]

URGING CONGRESS TO ENACT CHILD AND FAMILY SERVICES ACT AND SENATE BILL 2425, TO PROVIDE FOR INCREASED FUNDING FOR CHILD CARE SERVICES.

WHEREAS, In 1973 the voters of the City and County of San Francisco made manifest their insistence upon and recognition of the need for low-cost quality child care by the passage of the ballot initiative Proposition M, and

WHEREAS, The current level of federal support for child care programs is insufficient to meet more than a fraction of San Francisco's need, and

RESOLVED, that this Board of Supervisors supports the passage of, and urges its Congressional representatives to exert every effort to secure passage of (1) the Child and Family Services Act (Mondale-Brademas), and to preserve its legislative provision for a diversity of prime sponsorship, and (2) Senate Bill 2425 (Mondale-Long) which would amend Title XX of the Social Security Act to provide for increased funding for child care services, and

FURTHER RESOLVED, that a copy of this Resolution be transmitted to the Mayor with a request that copies be forwarded to San Francisco's representatives in the Congress of the United States.

RESOLUTION REQUESTING THAT THE SAN MATEO BOARD OF SUPERVISORS CONSIDER THE REPORT OF THE ASSOCIATION OF BAY AREA GOVERNMENTS CONCERNING THE EFFECTS OF THE PROPOSED DEVELOPMENT ON SAN BRUNO MOUNTAIN BEFORE MAKING THEIR FINAL DECISION ON THE GENERAL PLAN AMENDMENT FOR SAN BRUNO MOUNTAIN.

WHEREAS, At the request of this Board, by Resolution 745-75 adopted October 11, 1975, the Association of Bay Area Governments reviewed the effects that the proposed development on San Bruno Mountain would have on San Francisco; and

WHEREAS, This study indicated that the proposed development will have a significant adverse effect on San Francisco's public services and on the quality of life in the neighborhood adjacent to the proposed development; and

WHEREAS, This report stated that the environmental impact report filed by the San Mateo Planning Commission does not adequately address some of the major effects that this development will have on San Francisco's public transportation, streets and traffic flow, wastewater management and on the San Francisco International Airport; and

WHEREAS, The Association of Bay Area Governments recommended that further study is needed immediately on these issues; and

REQUESTING SAN FRANCISCO WATER DEPARTMENT TO REVIEW REDUCTION OR ELIMINATION OF CERTAIN SPECIFIED FEATURES OF RATE-MAKING PROCEDURES AND REPORT TO BOARD OF SUPERVISORS.

WHEREAS, From time immemorial, it has been the practice of the Public Utilities Commission in proposing, and the practice of this Board of Supervisors in approving, schedules of rates for the furnishing of services by the San Francisco Water Department, to provide lower rates for large quantity consumers; and

WHEREAS, It is clearly apparent that such practice works an undue hardship upon small quantity consumers, many of whom are elderly persons living on fixed incomes and least able to afford any increase in the cost for such a basic necessity; now, therefore, be it

RESOLVED, That, pursuant to the provisions of Section 2.400 of the charter, this Board of Supervisors hereby requests the San Francisco Water Department to review its practice and procedure in the establishment of rates for the furnishing of services by said Department with the objective of reducing or eliminating the preferential rates granted to large quantity consumers and submit the results of such review to this Board of Supervisors.

WHEREAS, If AB 331 or any similar legislation become law, and the City and County of San Francisco becomes involved in some sort of "labor dispute" with its employees, it would be prohibited from making its position clear through the use of these methods while the same restrictions would not apply to public employees' groups; and

WHEREAS, The City and County of San Francisco is one of a very few American cities which have wastewater treatment systems that involve the dilution of waste by rainwater; and

WHEREAS, When sufficient rainwater is available, San Francisco sewage can be diluted by as much as 14-16 (times) accounting to a generally accepted level of dilution to meet primary treatment standards for discharge into the Pacific Ocean; and

RESOLUTION NO. 105-76

ENDORSING AB 15, RELATING TO PRESERVATION AND MAINTENANCE OF PRIME AGRICULTURAL LANDS IN CALIFORNIA

WHEREAS, California supplies 25% of all table food and 40% of all fresh vegetables and fruits in the United States and accounts for 10% of all United States exports; and

WHEREAS, The demand for our crops is growing and the amount of prime agricultural land in California is shrinking, due largely to the lack of a comprehensive state or national land-use plan, thus allowing a horizontal spread of cities and suburbs at a rate of 575 acres per day or 21,000 acres per year; and

WHEREAS, If definite steps toward preservation of prime agricultural lands are not taken, future food availability is endangered, and the people of California may pay for such short-sightedness by being forced to convert our forests, grasslands and wilderness to agricultural uses in the future; and

WHEREAS, It is in the interest of all Californians and the nation that we protect our most valuable land by restricting its conversion to urban uses; and

WHEREAS, Under the provisions of AB 15, under current consideration by the California State Legislature, no building permits could be issued for developments on prime agricultural land unless they were proved to be necessary to provide essential necessary services or mitigate an existing national or state emergency; and

WHEREAS, Cities with less than 1,600 acres of prime land, amounting to 90% of California's cities, will be exempted from certain major portions of this bill; and

WHEREAS, Passage of AB 15 would slow the rise in food prices, ease the increasingly important problem of world hunger, maintain valuable wildlife habitat and open space, save water and conserve energy by containing urban sprawl; now, therefore, be it

RESOLVED, That this Board of Supervisors does endorse AB 15, and be it

FURTHER RESOLVED, That this resolution be forwarded to His Honor, the Mayor, for transmittal to the San Francisco delegation in Sacramento with the expressed hope that all necessary steps be taken to effectuate its intent.

WHEREAS, Senate Bill No. 1, the Criminal Justice Reform Act of 1975, which attempts to codify the nation's criminal laws, is now pending before the United States Senate Judiciary Committee; and

WHEREAS, S.B. 1 is a massive and complicated measure which is vague and broad and so subject to a wide range of interpretation; and

WHEREAS, This legislation proposes a number of far-reaching changes that raise some very real threats to civil liberties, attacking such fundamental rights as freedom of speech and the right of privacy; and

RESOLUTION NO. 123-76

URGING CONGRESS TO HOLD FULL HEARINGS ON THE IRISH QUESTION AND TO UPHOLD ITS AVOWED POSITION OF NEUTRALITY.

WHEREAS, Ireland has been partitioned since 1922 into a six-county statelet known as Northern Ireland, and a twenty-six county state, formerly known as the Irish Free State, then Eire, and now known as the Republic of Ireland; and,

WHEREAS, This partitioning was undetaken by the Government of Great Britain despite a 1918 plebiscite of all the Irish people which affirmed their desire for a free, united, and independent Ireland; and,

WHEREAS, The sectarian nature of the six-county state, designed to insure one-party rule by persons espousing loyalty to the British Crown, has given rise to discrimination against Irish Nationalists in the areas of housing, employment, and education, which often forced them to emigrate from their homeland; and,

WHEREAS, This intolerable situation culminated in 1969 with the massive repression by the Northern Irish Government of Civil Rights, and with the occupation of Northern Ireland by British troops; and,

WHEREAS, Since that time there has been a war in Northern Ireland, resulting in thousands of casualties and untold suffering and in the introduction by the British Government of the most severe measures, including internment without charge or trial and highly suspect methods of in-depth interrogation; and

WHEREAS, The avowed position of the United States in the matter is one of total neutrality; and,

WHEREAS, The United States Government has violated this position by (1) increasing its NATO commitment in Germany so that units of the British Rhine Army could be transferred to duty in Northern Ireland; (2) continuing extensive financial and military aid to Great Britain, including the sale of the dangerous "rubber" bullets and CR and CS gas (prohibited in the United States) used against the civilian population of Northern Ireland; (3) training British troops destined for Northern Ireland in anti-insurgency tactics at U. S. Army installations in North Carolina; and (4) revoking the visas of the leadership of the Provisional Republican Movement, the main proponents of a united and free Ireland with equal rights for all citizens, and chief architects of the peace negotiations between the Republican Movement and the British Government; and,

WHEREAS, Such leadership is prohibited by the United States Department of State from entering this nation and communicating with the American public and their representatives, while representatives from the British and Irish Governments and other organizations who oppose the Republican Movement have free access to the American media, legislative bodies, and citizenry; and

WHEREAS, The United States is committed to uphold the doctrines of free speech and the right to self-determination of all nations; now, therefore, be it

RESOLVED, That the Board of Supervisors does express its strong opposition to and condemnation of the terrorist activities which have characterized both sides of the Irish Question, and be it

FURTHER RESOLVED, That the Board of Supervisors specifically petitions San Francisco's representatives in Congress, the Honorable Philip Burton and Honorable John Burton, and the California United States Senators, the Honorable Alan Cranston and the Honorable

John Tunney, to urge both the House Committee on Foreign Relations and Future Foreign Policy and the Senate Foreign Relations Committee to initiate full hearings on the Irish Question with representatives of all parties involved presenting testimony; and be it

FURTHER RESOLVED, That the Board of Supervisors strongly urges the United States Department of State and Secretary of State Kissinger to re-instate full visa privileges to the leadership of the Provisional Irish Republican Movement's legal political body, namely, Sinn Fein, so that their representatives may present their position to the Congress and the American people in accordance with our constitutional right to hear all viewpoints on an issue; and be it

FURTHER RESOLVED, That the Board of Supervisors strongly urges the Government of the United States to adhere to its stated policy of neutrality by ceasing the training of British troops on American soil for duty in Ireland, and by ending any other collaboration with Britain's war effort in Ireland, particularly as regards NATO commitment and the aforementioned matter of vis revocation; and be it

FURTHER RESOLVED, That copies of this resolution be forwarded to his Honor, the Mayor, for transmittal by him to San Francisco representatives in Congress, the above-named California United States Senators, the President of the United, States, and to all other officials and agencies who are or may be in a position to implement the recommendations herein contained.

FILE NO. 12-75-1.82 RESOLUTION NO. 141-76

URGING THE CALIFORNIA STATE LEGISLATURE TO IMMEDIATELY TAKE STEPS TO REPEAL ASSEMBLY BILL 822, AMENDING VARIOUS SECTIONS OF THE ELECTIONS CODE RELATING TO VOTER REGISTRATION; NOW CHAPTER 704, STATUTES OF 1975-76, REGULAR SESSION, RELATING TO VOTER REGISTRATION.

WHEREAS, San Francisco's voter registration fraud problem reportedly will increase dramatically because of a new law which will go into effect on July 1, 1976, amending various sections of the Elections Code relating to voter registration, namely, AB 822, now Chapter 704, Statutes of 1975-76, Regular Session, California State Legislature; and

WHEREAS, This law will provide a new registration system that could result in a potential for duplicate registrations since new voters will be registered by simply returning a postcard form sent out by registrars of voters throughout the state, and would eliminate the current process whereby a duplicate affidavit is filed separately that now provides a vital crosscheck for the registrar's office whenever there is a change in a voter's status; and

WHEREAS, Under the present system, names of voters who fail to return a questionnaire from the registrar are automatically purged, but the new system would require that if a card is not returned the name must remain on the voting rolls, making it more difficult to purge the names of voters who are no longer residents of the City, and presenting the obvious possibility that a number of unqualified voters would be added to or continued on the election rolls; and

WHEREAS, Another problem presented by the new postcard system would be the fact that the postcard form will be the sole registration document, which would necessarily have to be retained in the registrar's files, thereby precluding a copy being sent to precinct voting places on election day, as is the current practice, and

BOARD OF SUPERVISORS

preventing a comparison by precinct workers of signatures of voters which helps to deter the possibility of counterfeit voters; and

WHEREAS, This Board of Supervisors feels this law would serve to intensify the voter fraud problems that have been encountered by the City and County of San Francisco by making it more difficult to purge the rolls of such fraudulent voters; now, therefore, be it

RESOLVED, That this Board of Supervisors strongly urges the California State Legislature to immediately take steps to repeal Chapter 704, Statutes of 1975-76, Regular Session, California State Legislature relating to voter registration; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded to his Honor, the Mayor, for transmission to the State Legislative Advocate for presentation by the latter to the members of the San Francisco delegation in the State Legislature with the request that all necessary action be taken by them to ensure the repeal of the above-described law.

URGING THE SUPPORT OF SENATE BILL (SB) 839, PERTAINING TO WORKMAN'S COMPENSATION

WHEREAS, Under existing law various law enforcement and fire protection officers are given a presumption of industrial injury in the event that heart trouble, pneumonia and some other diseases or conditions strike the employee during the time he is employed in a safety position by a public agency; and

WHEREAS, The Court has ruled that this is a conclusive presumption which means that public agencies are not allowed to present evidence that one of the covered disabilities occured as a result of activities which occured outside of the officer's employment; and

WHEREAS, The decision in the Soby case holds that a former safety employee may obtain workers' compensation benefits based upon these presumptions at any time symptoms appear, even if that former employee has been retired for many years; and

WHEREAS, This decision prevents public agencies from presenting evidence that these disabilities may occured from non-job-related factors such as old age; and

WHEREAS, SB 839 would limit the period within which the onset of symptoms would be compensable to a period based on a sliding scale of three calendar months for every year actually worked with a maximum sixty (60) months commencing with the last day actually worked as a safety officer; and

WHEREAS, This bill would still provide just and reasonable compensation benefit provisions while assuring that public agencies would not have to pay such benefits to persons whose disabilities did not result from a condition of their employment; now, therefore, be it

RESOLVED, That this Board of Supervisors of the City and County of San Francisco does hereby express its support for SB 839, a bill pertaining to workman's compensations; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded to his Honor, the Mayor, for transmittal to the State Legislative Advocate and presentation by the latter to the San Francisco delegation in the State Legislature with the request that all necessary action be taken to insure the enactment of SB 839.

WHEREAS, San Francisco Bay once teemed with crab, clams, oysters and other delicacies of the sea, much to the delight of those living on its shores; and

WHEREAS, In the last two decades this rich Bay life has gradually disappeared, and those of us who live on its shores have dropped our pots and lines in the water for naught, and we have been sad; and

WHEREAS, The worth and beauty of the Bay brought many here who stayed and befouled the Bay, until we finally learned to curb our pollution; and

WHEREAS, The Lawrence Laboratory tells us our Bay waters now are beginning to run clean again, and they can support life; and

WHEREAS, This news comes none too soon to gladden our hearts, for we have seen the harvest of crab in San Francisco Bay fall from 8.8 million pounds in 1956-57 to 180,000 pounds in 1974-75; and

WHEREAS, The State Department of Fish and Game is now engaged in research to determine how we might encourage the return of crab to the waters of the bay; and

WHEREAS, The Association of Bay Area Governments must now decide how best to use a $4.3 million grant from the Environmental Protection Agency for pollution-related problems; now, therefore, be it

RESOLVED, That this Board of Supervisors feels that the restoration of edible sealife to San Francisco Bay is one of the most urgent tasks ahead as we in the Bay Area try to make peace with nature; and be it

FURTHER RESOLVED, That this Board urges the Association of Bay Area Governments to consider awarding a grant to further efforts to restock San Francisco Bay with crab, clams, oysters and other erst-indigenous seafood as part of ABAG's effort to deal with pollution-related problems in the Bay Area; and be it

FURTHER RESOLVED, That copies of this resolution be forwarded to His Honor the Mayor for transmittal to ABAG, the Clearinghouse, the State Department of Fish and Game and the Fisherman's Wharf Merchants Association.

OPPOSING FURTHER EXPANSION BUT SUPPORTING ESSENTIAL MODERNIZATION OF FACILITIES OF THE UNIVERSITY OF CALIFORNIA MEDICAL CENTER; CALLING UPON THE STATE LEGISLATURE TO REVIEW AND EVALUATE THE UNIVERSITY'S EXPANSION PLANS.

WHEREAS, The University of California Medical Center, San Francisco, is situated on Mount Sutro in the heart of San Francisco in a predominantly residential neighborhood; and

WHEREAS, In 1953, the Medical Center occupied buildings containing approximately 500,000 gross square feet; and

WHEREAS, Since 1953, the Medical Center has expanded facilities at the Parnassus Avenue campus by more than 500 percent through construction or acquisition of buildings containing an additional 2½ million gross square feet; and

WHEREAS, Since 1953, the Medical Center has acquired and closed portions of Arguello Boulevard and Second Avenue and has condemned or purchased more than 100 homes; and

WHEREAS, The Medical Center now draws into the congested Parnassus Avenue site more than 12,000 people per day; and

WHEREAS, The University proposes the immediate construction of a 15-story tower doubling the size of Moffitt Hospital, a new Dental School building and, before 1985, a new Health Sciences Tower, a new Administration Building and other structures, totalling an additional half million gross square feet at a cost estimated by the University at over $100,000,000; and

WHEREAS, The University recognizes and concedes that its expansion has already caused deterioration in the neighborhoods surrounding its boundaries as a result of the community's uncertainty regarding future expansion plans; and

WHEREAS, The enormous expansion of the Medical Center since 1953 has caused

-- reduction of San Francisco's critical supply of housing,

-- creation of extreme traffic congestion on residential streets,

-- congestion of Golden Gate Park and the surrounding neighborhoods by lack of sufficient on-campus parking,

-- reduction of open space on Mount Sutro;

now, therefore, be it

MR 3/8 RESOLVED, That the Board of Supervisors strongly opposes further expansion on the present campus site and urges the State Legislature to review and evaluate the University's long-range plans with a view to terminating proposed funding for all construction, exempting the Moffitt Modernization and Dental Programs now under legal review, until realistic, permanent and enforceable limits are placed on future growth of the Medical Center; and be it

FURTHER RESOLVED, That the San Francisco Board of Supervisors

-- recognizes the contribution of the University to the City of San Francisco, and the need to modernize substandard facilities on the University of California San Francisco Campus;

-- supports the University's efforts to improve public transit access to the campus and its efforts to resolve traffic and parking difficulties,

-- approves the formation of a liason committee between the Board of Supervisors and the University of California San Francisco, as proposed by the San Francisco Comprehensive Health Planning Council study, to accomplish the intent of this resolution; and, be it

MR 3/8 FURTHER RESOLVED, That this Board of Supervisors strongly urges the Regents and the State Legislature to maintain a fully accredited School of Dentistry in the City of San Francisco, which will provide

low-cost quality dental care to residents of the entire City through neighborhood clinics, and to explore alternate sites within San Francisco for such a facility; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded to His Honor, the Mayor, for transmittal to the San Francisco delegation in the State Legislature and all other officials and agencies of San Francisco who may be involved, requesting that all possible action be taken to implement the petition contained herein.

EXPRESSING INTENT TO APPROVE BUDGET ITEMS IN THE POLICE DEPARTMENT'S ANNUAL BUDGET FOR THE SUBSEQUENT THREE FISCAL YEARS FOR THE INSTALLATION AND IMPLEMENTATION OF A RELIABLE COMPUTER ASSISTED DISPATCH SYSTEM.

WHEREAS, the primary objectives of a computer assisted dispatch system are to reduce police response time and produce useful management reports; and,

WHEREAS, the development and implementation of a computer assisted dispatch system constituted the principal justification for the Law Enforcement Assistance Administration funding of the new communications facility; and

WHEREAS, it was incumbent upon the Police Department to have the computer assisted dispatch system programmed on existing City resources, prior deletion of funds by the City's approving authorities for the acquisition of additional Police dedicated resources notwithstanding; and,

WHEREAS, said computer assisted dispatch system within the communications center is not operational due to serious defects in transaction turnaround time and in the reliability of the overall operating system, system and application software as characterized by frequent failures and slow program recovery; and,

WHEREAS, it is the current consensus that the aforementioned computer assisted dispatch system can never be reliably operational under the present I.B. 370/MOLE hardware and communication software configuration; now, therefore be it

RESOLVED, that the Board of Supervisors intends to approve those items in the Police Department's annual budgets for the subsequent three fiscal years in an approximate total amount of $788,000 to include the cost of financing for the acquisition of dedicated facilities, final conversion and software development, equipment installation, program testing, cutover, and documentation of an operational and reliable computer assisted dispatch system; and, be it

FURTHER RESOLVED, that copies of this Resolution be forwarded to His Honor, the Mayor, with the expressed hope that all necessary actions be taken to realize its intent.

WHEREAS, The Regional Water Quality Control Board will be considering a limit of an average of one overflow per year for the western shoreline of San Francisco along the Pacific Ocean at its March 16, 1976 meeting; and

WHEREAS, The West Side Transport and Storage Project can be designed to meet an average of one overflow per year using the Upper Great Highway alignment; and

WHEREAS, Even though the Upper Great Highway alignment will result in higher maintenance and operational costs than along a more easterly route under a residential street, the Upper Great Highway alignment will cause significantly less disruption to the surrounding neighborhoods during construction than other routes; now, therefore, be it

RESOLVED, it is the policy of this Board of Supervisors to adopt the Upper Great Highway Alignment of the West Side Transport and Storage Project as the preferred alignment and that it be constructed to meet the criteria of one overflow per year average provided that State and Federal funds are made available for that degree of control.

AUTHORIZING AND DIRECTING THE CHIEF ADMINISTRATIVE OFFICER AND THE DIRECTOR OF PROPERTY TO ACQUIRE 525 GOLDEN GATE AVENUE FOR THE CITY AND COUNTY OF SAN FRANCISCO; REQUESTING THE CHIEF ADMINISTRATIVE OFFICER TO EXPLORE ALL METHODS OF FINANCING SUCH ACQUISITION INCLUDING THE FORMATION OF A NON-PROFIT CORPORATION.

WHEREAS, The Chief Administrative Officer and the Director of Property have become aware that 525 Golden Gate Avenue, known as the State Compensation Insurance Fund Building, is going to be vacated by said State Fund for new quarters; and,

WHEREAS, It appears that it would be in the public interest of the City and County of San Francisco to acquire such building for use by the City and County of San Francisco for general office space; and,

WHEREAS, The Director of Property has reported to the Board of Supervisors that the building is conducive to be used as a general office building by the City; and,

WHEREAS, There is a definite need for additional office space in the Civic Center area and that it is advantageous to have such space in a City-owned building; and,

WHEREAS, The only alternative would be to continue to lease space and operate under inefficient, crowded conditions, or to construct a new building at a much higher cost to the City, now, therefore, be it,

RESOLVED, That the Chief Administrative Officer and the Director of Property are hereby authorized and directed to take all necessary steps to secure a firm purchase price for the acquisition of 525 Golden Gate Avenue, and, be it

FURTHER RESOLVED, That the Chief Administrative Officer is hereby directed to seek the formation of a non-profit corporation, which corporation could be used as a financing vehicle to pay for the acquisition of said building for the use of the City and County of San Francisco, and, be it

FURTHER RESOLVED, That in the event that funds become available from other sources such as funds previously set aside for the Performing Arts Center, if such funds are not used for the Performing Arts Center or that in the event that additional funds become available by payment to the general fund of Airport revenues or funds from the sale of surplus property become available that it would be the intention of this Board of Supervisors that these funds be applied to the retirement of bonds issued by a non-profit corporation formed for the purpose of acquiring 525 Golden Gate Avenue, and, be it
